Mayor.

City Hall, March 9, 1921, Ottawa, Ks.

The Board of Commissioners met in regular session with Mayor Pleasant presiding, Commissioners Harris and Finley present.

The minutes of the previous meeting were read and approved.

Resolution-A.T.S.Fe Ry.

Whereas, the Board of Commissioners of the city of Ottawa, Kansas, find that it is necessary to furnish additional means to carry away the surface water accumulating upon Pecan Street and Eighth Street in said city and in the vicinity thereof and that it is necessary to construct a drainage ditch beginning at a point near said Pecan and Eighth Streets and thence running eastward to the railway Right of Way of the Atchison, Topeka and Santa Fe Railway upon Walnut Street and thence northward along the west side of said right of way to Seventh Street to connect with the drain now at said last named place.

Therefore, be it resolved, by the Board of Commissioners of the city of Ottawa, that the said city construct a drainage ditch beginning at a point at and near Eighth and Pecan Streets, thence running eastwardly across lots 55 and 57 of Maxson's Addition to said city of Ottawa to the right of way of the Atchison, Topeka and Santa Fe Railway Company and thence northwardly to connect with the present drainage ditch under the track of said railway company at the intersection of Seventh and Walnut streets; and be it further resolved that application be made to the said railway company for permission to construct said ditch upon such portion of said right of way as may be necessary for the purpose of draining said surface water in a proper manner, and when said permission is secured, the said city is hereby directed to proceed with the construction of said ditch under the direction of the proper officer of the said city.

The above resolution was unanimously adopted by the commission and copy of same sent to the Atchison, Topeka and Santa Fe Railway Co.

On motion the commission adjourned to meet at a later date.

Edith M. Cassick
City Clerk.

Walter Pleasant
Mayor.

City Hall, Ottawa, Kansas, March ¹² 11, 1921.

Change in Electric Power Rate.

It was decided by the Mayor and Commission that all users of electricity, Power Rate, who use not to exceed 300 KW. per month, and all who had their motors installed prior to January 1st, 1921, under Section 8 of Ordinance No. 1163, the connected load charge will figured at 50 cents per H.P. and the electricity consumed to be paid for at 3 cents per KW. Those installing motors after January 1st, 1921, will be required to pay according to the ordinance originally passed by the commission.

On motion the commission adjourned to meet at a later date.

Edith M. Curvick
City Clerk.

Walter Pleasant
Mayor.

City Hall, Ottawa, Kansas, May 23, 1921.

The Board of Commissioners met in special session with Mayor Pleasant presiding, Commissioners Finley and Harris present.

Paving Contracts Awarded.

This being the day and date set for the receiving of bids for ^{concrete} applying asphaltic/wearing surface to the following macadam streets: Logan Street from Main to Cherry Street; Cedar Street from Fourth street to Tenth Street; Locust Street from the bridge to Fifth Street; also applying asphaltic concrete surface to the concrete pavement on East Fifth Street from Main Street to Cherry Street. The grading, curbing, guttering and paving with three inch vertical fibre brick on crushed stone or concrete base the following unpaved streets: Wilson Street from Main street to Cherry Street; Massasoit Street from Main street to Cedar street; Sixth Street from Ash Street to Beech Street the commission proceeded to open such bids. Proposals were received from J. B. Watts of Concordia, J. K. Shinn of Independence, Kaw Paving Co., of Topeka, Land Construction Co., of St. Joseph, and Cook and Stucker of Ottawa.

The bids of Cook and Stucker being lower than the estimate of the engineer on the asphaltic concrete work and the brick paving the contract for all of the streets was awarded to Cook and Stucker. For all resurfacing work said Cook and Stucker are required to use Trinidad Lake Asphalt meeting the requirements of the Barber Asphalt Co's. specifications. On all paving the price for excavating was \$1.10 per

cubic yard for excavating; for three inch vertical fibre brick, six inch macadam base with asphalt filler, \$3.49 per square yard, combined curb with 24 inch gutter, \$1.25 per lineal foot. The mayor and city clerk were authorized to enter into contract with said Cook and Stucker for all above work.

Sidewalk Ordered-Block 122.

Official notice was mailed to Mrs. Emma L. Fish ordering a sidewalk constructed on her property at Sixth and Walnut Streets on sides of Lots 2, 4 and 6, Block 122. Such walk to comply with city ordinance.

On motion the commission adjourned to meet in regular session May 25, 1921.

Edith M. Curick
City Clerk.

Nathan Pleasant
Mayor.

City Hall, Ottawa, Kansas, May 25, 1921.

Read the second time, considered by sections and placed upon its final passage. The question being shall the ordinance pass. A vote was taken resulting in Ayes, three, Nays, none. The majority having voted in the affirmative the ordinance was declared duly passed.

ORDER-PUBLIC UTILITIES COMMISSION,
RE: Waterworks Improvement.

The Board of Commissioners having made application recently for an order from the Public Utilities Commission, approving the plans, specifications and estimates for the improvement of the waterworks system in said city, in the amount of \$96,000.00, and the following order was made by the Public Utilities Commission:

Copy of Order.

Now on this 31st day of May, 1921, the above entitled matter comes on for action by the Commission upon the application filed herein on the 31st day of May, A.D. 1921, by the mayor and commission of the city of Ottawa, Kansas, petitioning that the plans, specifications and detailed estimate of the cost of certain proposed improvements in its waterworks be approved.

The petition recites that the total indebtedness of the city of Ottawa, Kansas, does not exceed 15 per cent of the total assessed valuation and that the proposed improvement does not exceed two per cent of the total assessed valuation of said city as provided in Chapter 124 of the Session Laws of Kansas, 1913.

The Commission's engineering department has investigated the said plans, specifications and detailed estimate of the cost of the proposed improvements and finds them to be proper and reasonable to the sum of

IT IS THEREFORE BY THE COMMISSION ORDERED: that the plans, specifications and detailed estimate of the cost of the proposed improvements in the waterworks system of Ottawa, Kansas, amounting to the sum of Ninety-six thousand dollars (\$96,000.00) be, and the same are hereby ratified and approved as petitioned for by its mayor and commission under Docket No. 4135.

BY THE COMMISSION IT IS SO ORDERED.

Signed:
R. C. Dellinger, Secretary.

SIGNED- C. M. Reed
H. A. Russell
J. W. Greenleaf,
Commissioners.

COPY.

MAINTENANCE BOND APPROVED.
Cook & Stucker.

Cook & Stucker, Contractors, having entered into a contract with the city of Ottawa, under date of May 23, 1921, for constructing asphalt pavement on East Fifth Street from Main to Cherry Street; Logan Street from Main to Cherry Street; Cedar Street from Fourth to Tenth Street; Locust Street from the Bridge to Fifth Street, said Cook and Stucker presented a bond in the sum of \$18,750.00. with the Fidelity and Deposit Company of Maryland, guaranteeing to maintain and keep in repair said pavement for a period of five years from and after the completion and acceptance of said work. Said bond was accepted and approved by the commission, and placed on file in the office of the city clerk.

Application of Wayne M. Blair,
License for Electric Wiring.

An application was presented by Wayne M. Blair for permission to do inside electric wiring. Same was approved and city clerk was instructed to issue license when Mr. Blair had a surety bond ready and approved by the commission.

Bids for Painting-Forest Park.

Bids were asked for by the Mayor for the painting of the park-keeper's residence and the dining hall at Forest Park. Kirkland & Winters being the lowest bidders they were awarded the contract to furnish all paint and material for two coats of paint for the sum of \$157.00.

Appraisers Appointed.

On motion of Mayor Pleasant the following were appointed to appraise the properties liable for the cost of improving the streets as follows:

W. R. Dean, C. F. Crain and D. F. Daniels, Fifth Street;
 D. F. Daniels, F. L. Williams and J. P. Burk, Cedar Street;
 W. R. Dean, J. P. Burk and F. L. Williams, West Sixth St.,
 E. H. Slater, J. E. Shinn, G. P. Walker, Locust Street;
 H. H. Cowan, W. J. Leatherberry, C. M. Thomas, Logan Street;
 C. M. Thomas, H. H. Cowan, H. M. Furness, Wilson Street;
 W. J. Leatherberry, H. H. Cowan, H. M. Furness, Massasoit St.,

The city clerk was instructed to notify the above men of such appointments at once.

Assistant Engineer Named.

C. A. Novak was employed by the city for a period of time necessary in connection with the engineering of the paving and resurfacing of the streets now contracted for at a salary of \$200.00 per month, to act as assistant engineer under W. O. Myers, city engineer.

On motion the commission adjourned to meet at a later date.

Edith M. Curwick
 City Clerk.

Nathan Pleasant
 Mayor.

 City Hall, Ottawa, Kansas, June 8, 1921.

The Board of Commissioners met in regular session with Mayor Pleasant presiding, Commissioners Harris and Finley present.

The minutes of the previous meeting were read and approved.

Electrician's Bonds.

Surety bands in the sum of \$1,000.00 were filed by W. H. Martin and Wayne M. Blair covering their work as electricians to do inside electri wiring in the city of Ottawa, Kansas. Such bonds were approved by the commission and filed in the office of the city clerk.

Petition for Paving-Twelfth Street.
 Hickory to Cedar.

A petition signed by resident property owners was presented asking that Twelfth Street from Hickory Street to Cedar Street, in Blocks 26 and 18 University Addition No. 2, be paved. It was considered best not to take action on this work at this time as all such work now contracted for is all that can be done to good advantage this season.

Remonstrance on Pavaing Twelfth Street.

A remonstrance signed by residents interested in Twelfth Street,

protesting against the paving of Twelfth Street from Cedar Street to Hickory Street. The commission having decided not to consider this work this season no further action was taken on the remonstrance, and same was filed in the office of the city clerk.

Petition Filed-Waterworks Improvement.

A petition signed by more than 150 tax payers of the city of Ottawa, Kansas, was filed with the city clerk, requesting the Board of Commissioners of such city to issue bonds in the amount of \$96,000.00 for the purpose of paying the cost of enlarging, extending and improving the system of waterworks of said city under the provisions of Chapter 124, Session Laws 1913. The money to be derived from the sale of such bonds shall be used for the purpose of constructing and purchasing and installing a Filtration Plant at the city waterwork's plant for the purpose of securing for the people of said city a supply of pure and wholesome water.

The Board of Commissioners find that the said petitioners are the tax payers of said city and constitute in number more than ten per cent of the tax payers of said city and said petition is approved by said board of commissioners and the city attorney is instructed to draw an ordinance providing for said improvement and for said bond issue and present the same to the commission on or before July 6, 1921.

Notice of Waterworks Improvement.

The city clerk was authorized to cause the following notice to be published in the official city paper:

Pursuant to a resolution adopted by the Board of Commissioners of the city of Ottawa, Kansas, deeming it necessary to improve the waterworks system of said city by the installation of a filtration plant, notice is hereby given that an ordinance will be passed by said Board on the 6th day of July, 1921, authorizing such improvement and the issuance of bonds of said city in the sum of \$96,000.00 to pay the cost thereof. Such improvement to be done according to plans and specifications now on file at the office of the city clerk of said city. Any person objecting to such improvement or the issuance of said bonds may appear before said Board of Commissioners at the city hall of said city any time before said 6th day of July 1921, and be heard as to such objections.

On motion the commission adjourned to meet at a later date.

Edith M. Curisich
CITY CLERK.

Walter Pleasant
MAYOR

City Hall, Ottawa, Kansas, June 15, 1921.

The Board of Commissioners met in regular session with Mayor Pleasant presiding, Commissioners Harris and Finley present.

The monthly reports of the city clerk, the police judge, city weigher and the Water & Light Dept. were approved by the commission.

Resolution to Pave-Alley in Block 32.

On motion it was moved and carried unanimously that the following resolution be passed:

Whereas, the Board of Commissioners of the city of Ottawa, Kansas, deem it necessary to improve the alley in Block 32 by paving the same. therefor,

BE IT RESOLVED by the Board of Commissioners of the city of Ottawa, Kansas, that the alley in Block 32 of said city be improved by grading and paving; that such pavement shall consist of one course of brick laid upon a concrete base; that such improvement shall extend from the north line of said Block 32 southward to the south line of Lots 34 and 35 and the width of such pavement shall be twenty (20) feet in width.

Petition to Pave.
West Seventh Street from Ash to Beech.

A petition signed by resident property owners was filed asking the Board of Commissioners to pave West Seventh Street from Ash street to Beech Street. Such petition was referred to the city attorney for his opinion as to its validity.

Ordinance No. 1180-Bonds-Filtration Plant.

An ordinance providing for the enlarging, repairing, extending and improving the system of Waterworks of the city of Ottawa, Kansas, and providing for the issuing of bonds to pay the cost thereof was introduced and placed upon its first reading. Read the first time and upon motion the rules were suspended and the ordinance placed upon its second and final reading. Read the second time, considered by sections and placed upon its final passage, the question being, shall the ordinance pass. A vote was taken resulting in Ayes, three, Nays, none. The majority having voted in the affirmative the mayor declared the ordinance duly passed.

On motion the commission adjourned to meet July 8th at 11 A.M. to receive bids for the construction of a Filtration Plant.

Edith M. Curvick
City Clerk.

Harold Deasant
Mayor.

City Hall, Ottawa, Kansas, July 8, 1921.

The Board of Commissioners met in adjourned session with Mayor Pleasant presiding, Commissioners Finley and Harris present to receive bids for the construction of a Water Filtration Plant in the city of Ottawa.

General Contract for Filtration Plant Awarded.

This being the day and date set for the receiving of bids for the construction and equipment of a Water Filtration Plant in the city of Ottawa, a number of bids were received on the General Contract and for the various equipment. After the bids were opened the commission decided to take some time for further consideration and checking of bids and adjourned until 2 o'clock P. M. for a decision on the proposals.

At 2 o'clock P. M. the commissioners met to further discuss the bids previously opened and it was found that the Chanute Construction Company of Chanute, Kansas, were the lowest bidders on the general contract and the Board of Commissioners were unanimous in awarding the contract to said Chanute Construction Company, their bid being lower than the estimate of the engineer therefor. The Mayor and City Clerk were authorized to enter into a contract with said Chanute Construction Company for the furnishing of the necessary equipment and labor and all material specified and all work to be done in accordance with the specifications and contract on file with the city clerk at a consideration of \$ 40,315.30.

Other Proposals Considered.

On the advice of Black & Veatch, Engineers, the following proposals on various equipment were retained for further consideration: The proposal of Chicago Bridge and Iron Co., was accepted by the commission. The proposal of the International Filter Company for furnishing the necessary filter equipment was retained and also the bid on pumps was retained for further consideration. The bids of the Flower Valve Manfg. Co. and the Kennedy Valve Manfg. Co. were retained pending examination of Black & Veatch, Engineers for the city of Ottawa.

On motion the commission adjourned to meet at a later date.

Edith M. Currier
City Clerk.

Walter Pleasant
Mayor.

City Hall, Ottawa, Kansas, July 13, 1921.

The Board of Commissioners met in regular session with Mayor Pleasant presiding, Commissioners Finley and Harris present.

The minutes of the previous meeting were read and approved.

Remonstrance-Resurfacing Locust St.

A remonstrance signed by thirteen property owners fronting on Locust Street between Fourth and Fifth streets requesting that the Board of Commissioners delay the resurfacing of said block with asphaltic concrete as provided for. Such petitioners contending that the condition of said block is such that the resurfacing as set forth in the specifications is not necessary at this time and would be a needless expense at present. Mr. H. Ott was instructed to consult with Cook & Stucker, Contractors, on this work, and ask that they release the city from this part of their contract. The commission deeming it advisable to discontinue the improvement of said block for a year or two if a release is secured from contractors.

Contract for Boilers Awarded.

Upon the recommendation of Geo. C. Shaad, consulting Engineer for the city of Ottawa, the Mayor and Clerk were instructed to enter into a contract with the Springfield Boiler Company for the purchase of two boilers for the amount of \$13,000.00 for the two. A contract was also entered into with the Merkle Machinery Company for the purchase and erection of a concrete stack for a consideration of \$7,412.00.

On motion the commission adjourned to meet July 16th, 1921.

Edith M. Currier
City Clerk.

Walter Pleasant
Mayor.

City Hall, Ottawa, Kansas, July 16, 1921.

The Board of Commissioners met in adjourned session with Mayor Pleasant presiding, Commissioners Finley and Harris present.

Edith M. Cusack
City Clerk.

Natur Pleasant
Mayor Clerk.

City Hall, Ottawa, Kansas, Decem. 28, 1921.

The Board of Commissioners met in regular session with Mayor Pleasant presiding, Commissioners Harris and Finley present.

The minutes of the previous meeting were read and approved.

Ordinance No. 1204-Amending
Section 1, of Ordinance 1205.

An ordinance amending Section One of Ordinance No. 1203 of the city of Ottawa, Kansas, entitled "An ordinance providing for the issuance of special improvement bonds of the city of Ottawa, Kansas, to pay the cost of improving certain streets of said city that is a charge against the said city at large" and repealing said section one (1), was introduced and placed upon its first reading. Read the first time and upon motion the rules were suspended, an emergency was declared and the ordinance placed upon its second and final reading. Read the second time, considered by sections and placed upon its final passage. The question being shall the ordinance pass. A vote was taken resulting in Ayes, three, Nays, none,

the majority having voted in the affirmative, the mayor declared the ordinance duly passed.

Final Estimate-West Seventh St.

The engineer presented the final estimate of the work done on West Seventh Street from Ash Street to Beech Street. On recommendation of the engineer the paving of said street was accepted by the commission.

Sewer Contracts Awarded.

This being the day and date set for the receiving and opening of bids for the construction of Sewer Laterals Nos. 71, 72 and 73 in the city of Ottawa, the commission examined the bids of the Elder Mercantile Co., Wightman & Seevers, C. W. Barnett and Bunyan Bros., and found the bid of C. W. Barnett at \$675.00 was the lowest on Sewer Lateral No. 71, Tremont Street; that of Wightman & Seevers, \$2682.00 and \$8.00 per cu. yard for rock excavation was the lowest on Lateral No. 72 and that of Elder Merc. Co., for \$754.00 was the lowest on Lateral No. 73. On account of the large amount of rock to be excavated this bid was found to be lower than the estimate of the engineer therefor. The city attorney was instructed to enter into contracts with the successful bidders on these contracts.

Trustee Appointed-Public Auditorium.

The one year term of Christopher Ott as trustee of the Public Auditorium having expired Grover L. Knight was appointed trustee for a term of three years. The term of office to begin January 1, 1922.
